

Dear Friends and Family,

On June 2nd and 3rd, I am competing in the sixth annual 24 Hours in the Canyon, benefiting The Don and Sybil Harrington Cancer Center (www.harringtoncc.org). This event is being held at Palo Duro Canyon, and consists of teams of individuals who will be riding various times during the 24 hours. The slogan for this event is “Cancer doesn’t sleep... why should we?” I am excited about this opportunity to challenge myself physically and to help patients diagnosed with cancer.

Did you know that the American Cancer Society reports that 1 in 2 men and 1 in 3 women will likely develop cancer in their lifetime? They also estimate that in 2011, 571,950 individuals lost their life to cancer. Many of these “numbers” are our friends, neighbors, or family members. This is what 24 Hours in the Canyon is all about.

My race registration fee goes toward the fixed cost of the event. I am asking for your help in fundraising for this event. Together, we can make a difference in the lives of cancer patients at The Don and Sybil Harrington Cancer Center. They are committed to taking care of **ALL** cancer patients regardless of their ability to pay.

Enclosed you will find a donation form. If you feel led to help with my efforts, please fill it out and return to the address listed. Your donation is tax-deductible. Also, please be sure to put my name in the blank asking for the rider you are supporting. Thank you for helping me and more importantly, for helping patients diagnosed with cancer.

Sincerely,

DONATION FORM

24 Hours in the Canyon
